

TRADITIONAL BOWS

12050 Martin Dream Catcher Fieldbow

With a beautifully hand-crafted African hardwood riser and hand-laid Elk laminations, this bow is as pleasing to the eye as it is to shoot.

-Length: 60"

*Weights: 30#, 40#, 50#

12070 Martin Hunter Fieldbow

The 62" length, shock free operation, and smooth, stackless draw are only a few of the characteristics that make this bow so popular.

-Length: 62"

*Weights: 30#, 40#, 50#

12150 Samick Woodsman Fieldbow

Beautiful take-down fieldbow that features a heavier handle for increased stability. Great value.

-Length: 62"

*Weights: 30#-60#

12350 Samick Talon Hyper

Bow with clear fiberglass, hard maple & rosewood. Nicely rounded handle and secure limb fitting system.

-Length: 60"

*Weights: 30#-60#

12450 Samick Equus Fieldbow

Short riser section and longer limbs make this one of the smoothest fieldbows in the Samick range.

-Length: 56"

*Weights: 30#-50#

12150 Samick Spirit-II Fieldbow

Expected to become Samick's top selling fieldbow. This is an ideal bow for anybody starting with traditional archery.

-Length: 60"

*Weights: 30#-60#
